BUILDING BLOCKS STUDENT WORKSHEET

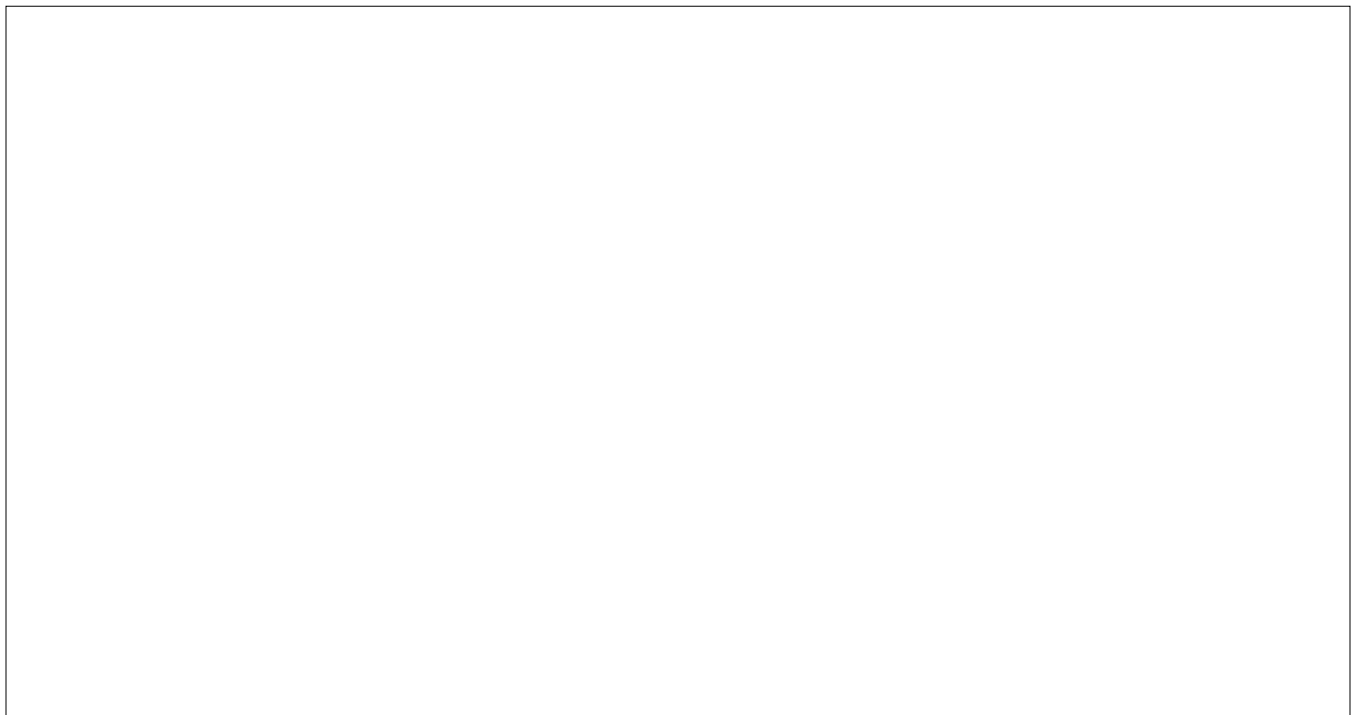

Creating a vision board for a career

What do you want to be when you grow up? When you think about what kind of career you want for your future, it's important to explore your options in different fields.

Picturing yourself in a career

1. Review the "Careers and levels of education" handout.
2. Choose a career you could see yourself doing in the future.
3. Using the information from the handout, write the career you chose, the field it's in, and the level of education it requires.
4. Draw a picture of yourself in this career role in the box below.

Career _____ Field _____ Level of education _____

Reflection questions

1. Why did you choose that career?
2. Would you be willing to go to school long enough to reach the level of education you need for that career? Why or why not?
